Guillermo A. Frias is an experienced litigator with more than 20 trials. In representing public agencies, business entities and individual entrepreneurs, he works on highly complex cutting-edge legal issues in such areas as eminent domain, inverse condemnation, municipal law, CEQA, validation actions, and real estate, contract and commercial disputes.

Serving as a partner in Best Best & Krieger LLP's Municipal and Environmental Law & Natural Resources practice groups, Guillermo's extensive litigation experience gives him the requisite perspective for providing the creative and strategic legal advice often needed to resolve disputes without resorting to the courts.
